

## **Remember Me**

by J. S. Spence (Livonia, MI)

Please take my picture.

I know you think me old and odd,  
in these clothes, the finest I have,  
with my eagerness for your attention.

Please take my picture.

Here on vacation, you don't know me.  
Later, you see my photo and smile,  
thinking of me and your time in my land.

Please take my picture.

Each time you see my image,  
I live on, long past my quiet death.  
I am remembered, if unknown.
