A POETRY & SHORT STORY EVENT

February 6, 2018

Hello!

We would like to share news with all of the esteemed authors who have made Short On Words such a huge success. This year Northville's Arts & Acts Festival has made some changes that may or may not work for the Short on Words competition. In the best interest of the project and our authors, we have decided to wait and see if and how we would fit in with the changes or if there is another community event we could partner with to continue to promote literacy and the art of communication.

It is our hope to share the next selection of photos with our authors, and new authors, in the very near future. Best wishes for a happy, healthy 2018...thank you for your continued support and stay tuned for the 7<sup>th</sup> Edition of Short On Words.

Regards,

*Denise Jenkins*
